**WEBCOR CONSTRUCTION'S STATUS
 UPDATE RE: STAY OF PROCEEDINGS**

Date: January 30, 2008
 Time: 4:00 p.m.
 Dept.: Courtroom 8
 Judge: Hon. Charles R. Breyer

At the last Case Status Conference the Court dissolved the Stay with respect to Webcor's claims for payment of retention and base contract amounts, as well as in relation to Change Order Nos. 63, 64 and 65. Defendants were further Ordered to Answer Webcor's claims in this regard by no later than January 19, 2008.

1 With respect to Webcor Change Order Nos. 61 and 62, Dick/Morganti agreed to immediately
2 certify and pass these claims through for payment to the GSA upon receipt of a Certification from
3 Webcor stating that the costs identified in the Change Orders were true and accurate and currently due
4 and owing to Webcor. Webcor provided said certification to DMJV on January 15, 2007. See Exhibit
5 "A" hereto.

6 If Dick/Morganti has failed to certify and pass Webcor's Change Order Nos. 61 and 62 through
7 to the GSA by the date of the next Status Conference, then Webcor respectfully requests that the Court
8 lift the Stay in relation to these two Change Orders.

Re: Webcor/Dick-Morganti

Dear Mr. Hallinan:

Attached please find Webcor's certification for Change Orders Nos. 61 and 62. As you can see, the certification complies, verbatim, with what you represented to the Court was needed for DMJV to immediately pass these claims through to the GSA. Please have DMJV immediately certify these Change Order Nos. 61 and 62 and submit them to the GSA. Also, please copy me on DMJV's certification and the transmittal of the claims to the GSA.

Please take notice that if, by the close of business on January 18, 2008, we have not received confirmation that DMJV has certified these claims and passed them on to the GSA, then we will ask the Court to allow Webcor to move forward with litigating these Change Orders at the next status conference.

Please do not hesitate to call if you have any questions.

Very truly yours,

EXHIBIT A

Certification of Claim

I certify, under penalty of perjury, that Webcor's claim for additional compensation as embodied in COR Nos. 61 & 62 on the GSA Project No. NCA 00049 is made in good faith; that the supporting data are accurate and complete to the best of my knowledge and belief; that the amount requested accurately reflects the contract adjustment for which the contractor believes Dick Morganti is liable; and that I am duly authorized to certify the claim on behalf of the contractor."
